

## ALBERTA DIVISION WILL BE HOST TO THE 99th C.M.A. ANNUAL MEETING IN EDMONTON, JUNE 13-17

High-level bridge spans the Saskatchewan River Valley at 109th Street.

### CONVENTION COMMENTS:

The General Council will meet at the Edmonton Inn all day Monday and Tuesday, and until noon on Wednesday.

• • •

Some of the social highlights will include a "Get Acquainted Coffee Party" on Sunday evening, June 12, in the Macdonald Hotel; Reception and Dinner to the General Council on Tuesday evening, June 14; the Annual General Meeting on Wednesday evening, June 15, when the President-Elect, Dr. R. K. C. Thomson of Edmonton, will be installed as President. In addition, a general "fun night" will take place on Thursday evening, June 16—and a program in true Western style is being planned (more details in subsequent issues).

• • •

Apart from taking in the scientific program, there will be many interesting things to do and see during the convention. For instance, a visit to the scientific and medical exhibits can be a rewarding one. Many doctors and their wives will spend a pleasant hour or two browsing around the colourful Physicians' Art Salon. Others may want to play golf, or go shopping or sightseeing.

Housing and advance registration forms will appear in the following issues of the Journal: February 5 and 19, March 19 and April 16.

---

*SCIENTIFIC PROGRAM TO INCLUDE  
OVER NINETY PHYSICIAN PARTICIPANTS  
DURING CLINICAL AND GENERAL SESSIONS*

---

*PROMINENT GUEST SPEAKERS  
WILL DISCUSS NEW TECHNIQUES IN  
THE FIELDS OF PEDIATRICS, MEDICINE,  
OPHTHALMOLOGY AND SURGERY*

---

### THE SCIENTIFIC PROGRAM:

Doctors attending the 99th Annual Meeting of The Canadian Medical Association in Edmonton during the week of June 13-17 can look forward to a varied and interesting scientific program which commences on Tuesday, June 14.

Although Convention Headquarters will be located in the Macdonald Hotel, special clinical sessions will be held Tuesday morning in the Royal Alexandra Hospital and the University of Alberta Hospital. Papers presented at that time will include medical and surgical topics; and General Sessions will commence Tuesday afternoon and will continue throughout the remainder of the week.

Special scientific speakers from England and the United States have been invited to speak in the areas of pediatrics, ophthalmology, psychiatry and surgery. They are Dr. David Y. Y. Hsia, Professor of Pediatrics, Northwestern University Medical School, Chicago; Dr. David G. Cogan of the Department of Ophthalmology, Harvard University Medical School, Boston; Dr. J. Masserman, Professor and Co-chairman, Department of Psychiatry, Northwestern University Medical School, Chicago; and Dr. R. C. Lillehei, Asso-

University of Alberta, Edmonton.

MAIL YOUR HOUSING FORMS EARLY

**PLAN TO ATTEND . . .****THE CANADIAN MEDICAL ASSOCIATION  
99th ANNUAL MEETING, EDMONTON, JUNE 13-17, 1966****Jasper sky tram.****SCIENTIFIC PROGRAM (continued):**

ciate Professor of Surgery, University of Minnesota Medical School.

Interesting highlights of the meeting will be the presentation of two lectureships. On Friday morning, June 17, Dr. W. Bean, Professor of Medicine, University of Iowa, will deliver the Osler Oration. This oration was introduced at the 60th C.M.A. Annual Meeting to honour the memory of one of Canada's distinguished physicians, Sir William Osler.

On Wednesday morning, June 15, Dr. A. W. Wilkinson, Nuffield Professor of Pediatric Surgery at the Institute of Child Health, University of London, England, will present the Tisdall Memorial Lecture. This lectureship, which is endowed by Merck Sharp & Dohme of Canada Limited, is in honour of the late Dr. F. F. Tisdall.

From 9.00 a.m. to 10.00 a.m. on Wednesday, Thursday and Friday, closed-circuit colour television will be provided through the co-operation of Smith Kline & French. This TV program will feature: A Visit to an Intensive Care Unit; Neurological Lesions; and Tumours of the Skin.

The Local Program Committee, under the chairmanship of Dr. J. L. Gilbert of Edmonton, is to be commended for developing such an interesting and varied program.
